REASONS FOR ALLOWANCE

1. Claims 1-20 are allowed. The independent claims, claims 1, 9 & 19 are allowed because, as persuasively argued by applicant in the amendment filed November 16, 2005, the prior art does not show or suggest a cross groove joint comprising all the limitations of the claims.

Claims 2-6 have been rejoined because they depend from an allowed claim (claim 1) that is generic to the unelected species to which they are directed (Species I shown in Fig. 3).

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The replacement drawings filed August 10, 2005 are approved.
